Color and Pattern Index

Read the choices and circle all the numbers and letters that most closely describe the goat. Please note any differences between your choice and your goat. For example, a gray and tan light-belly goat with a partial belt would be 37DM. Please put the predominate color first.

Fleece Colors	Patterns
1. White	A. Solid Color (no pattern)
2. Silver	B. Black and White (dark front, light rear, no facial strips)
3. Gray	C. Darkbelly or Badger (dark belly facial stripes, top line and legs, light body)
4. Black with Gray Tips	D. Lighbelly or Reverse Badger (dark body, light facial strips, belly and legs)
5. Black	E. Mantled (dark front, light rear, facial stripes)
6. Fading Red (colored at birth fading to near white)	F. Peacock (light front, dark rear, facial stripes)
7. Cream / Apricot	G. Tog (dark body, belly, light facial and leg stripes)
8. Medium Red / Copper Red	H. White Spots (white spots on colored background)
9. Taupe / Silvery Brown	I. Colored Spots (colored spots on white background)
10. Chocolate Brown	J. White with Colored Fibers
	K. Pinto (Colored and white patches)
	L. Belt (white band around middle of goat)
	M. Partial Belt (partial extension of white from the belly up the side)
